## MAYOR'S REPORT

**I am still smiling from such a great Festival. We received nothing but great reviews from vendors, attendees, and residents from the community. It was the best festival I have seen! Thanks to all who helped make this happen. I hope you all like the pumpkins. They all have their own little personality that makes them fun. I am looking forward to Spooktoberfest. We have a chili cook off and the block party scheduled. Please be sure and take time to visit both events and enjoy yourself. Very soon we will begin the city well renovations. The money has been set aside from splost to fund the project. I think you will really like it. We had a rendering of the project at the festival and everyone really liked it. Hope everyone enjoys October and if you have any questions or issues, please let us know. Thanks for making our community such a great place to live.**

**Kind Regards,  
Billy Cantrell**

## THANK YOU!
